

My Genealogical Will

Genealogical Codicil to My Last Will and Testament

To my spouse, children and/or heirs, guardian, administrator or executor:

Upon my death, I request that you **DO NOT** dispose of any or all of my genealogical records, both those preserved personally by me and those prepared by others, which may be in my possession. This includes, but is not limited to books, paper and/or digital files, notebooks, correspondence, audio/visual items, photographs, and documents, for a period of two years.

During this two-year period, please attempt to identify one or more persons who would be willing to take custody of said materials and the responsibility of maintaining and continuing family histories.

Parties to contact regarding the assumption of the custody of these items include but are not limited to:

Name	Address	Phone

In the event that you find no one to accept these materials, please contact the institutions listed below, in order, to determine if they will accept part or all of my genealogical materials:

Institution Name	Contact/Address	Phone

Please remember that my family history studies consumed a great deal of time, travel, and money. Therefore it is my strong desire that the product of my efforts be preserved and allowed to continue in a manner that will make them available to others, at no cost, in the future.
